

Donation Form

Renewable Energy Disaster Relief Fund

This form is to be completed by individuals and/or organizations wishing to support disaster relief through donation of funds or equipment to the Renewable Energy Disaster Relief Fund, administered by the National Energy Foundation in cooperation with the Florida Solar Energy Center and Advisory Committee. The National Energy Foundation is a non-profit corporation of the United States of America, allowing donations to be tax free to the contributor in the USA.

Your donation will provide solar/renewable energy equipment to survivors of a disaster at no cost as defined by the program. Please review the web site (www.nef1.org/disaster_relief) for information on the program, and then decide on your participation. Complete this form and submit it with your donation to the National Energy Foundation at the address listed below.
